## NEIGHBORHOOD WATCH

Neighborhood Watch is a joint effort between the Hampton Police Division and the community to instill a greater sense of security and reduce the occurrences of crime. Neighborhood Watch allows neighbors to get to know each other and community habits in order to address issues that concern the safety of the entire neighborhood.

Call to ask about how to start one in your neighborhood area.

## VA RULES SUMMER CAMP

This is an educational and interactive one week summer program offered to Hampton youth that are entering into 6th through 12th grade. The camp provides an unique opportunity to learn about important issues that can impact them like gangs and drugs while enjoying awesome activities like fishing, zip-lining and going to the zoo and a trampoline park.

**Learn more by calling the Community Engagement Unit at 757-727-2260.**

## HAMPTON POLICE EXPLORERS

Law Enforcement Exploring provides educational training programs for young adults on the purposes, mission, and objectives of law enforcement. This continuous program provides career orientation experiences, leadership opportunities, and community service activities. Exploring is open to young men and women from ages 14 (having graduated the eighth grade) to 20.

You will work alongside Hampton police officers to learn real world career skills. To learn more, contact the Community Engagement Unit at **(757) 727-2260**.

## CITIZEN POLICE ACADEMY

This is an educational and informative program offered to the citizens of our community. It is an opportunity to look inside the everyday operations and functions of the Hampton Police Division. Most classes are held at the Hampton Police Division Headquarters on Tuesday evening from 5:30pm to 9:00pm.

Some classes are held at the Division's firing range and are free of charge. Citizens 18 years of age and older who reside or work in the City of Hampton can fill out an application. Applications may be obtained from the Community Relations Unit. All applicants will undergo a local criminal background check before being selected for the program.

## WHITE HOUSE OPEN DATA INITIATIVE

The Hampton Police Division has joined a very limited number of police agencies that have partnered with the White House to release full data sets to the public.

Through this unique initiative, you can view real time crime data relative to incidents that occur within the City of Hampton.

Visit **[Hampton.gov/Police/opendata](http://Hampton.gov/Police/opendata)** to access information related to the **White House Open Data Initiative** and a **Community Calendar** that lists upcoming community events.
